## Start Location and packet pick-up

Packet pick up and the race start will be at the Red Barn in Glorieta Camps and a Google map to the Red Barn can be found using this [Google map link](#). Old school directions – from NB I-25 take exit #299, Turn left onto NM50, cross over interstate to the T intersection and take a left (Oak Rd.), follow Oak Rd for half a mile to the gated entrance for Glorieta Adventure Camps. We will also have signage directing you from the gate entrance to the Red Barn.

Please note, overnight parking and/or camping is NOT ALLOWED at the Red Barn area. Please make arrangements with Glorieta Camps for camping or lodging accommodations.

**[LINK TO CAMP MAP](#)**

**[LINK TO RED BARN AID STATION](#)**

## The Course

The course is a 3.2-mile single track trail loop encircling the camp (known as the Green Loop). The course will be well marked with confidence flagging and directional arrows and will follow in a counterclockwise direction. The course is not closed to public use so you may see other hikers and mountain bikers not part of race.

### **Elevation:**

About 280ish feet of gain and loss but no real big climbs or drops (per loop).

# Race Rules

## Timing and Loops

The race is gunned time but we will track your loops via the chip on your bib. You will cross the timing mat at the start so that we know who is on course and then each time you FINISH a loop. **Make sure your bib is on your front side and visible at all times.**

All racers must complete the loop they start. Each loop finish is marked by crossing the timing mat. Stay away from the timing mat if you are not finishing your loop.

All racers must start at 7am. For Teams, all members must be present for 6:50 am Safety Brief but only one member will start at 7am.

Once you complete each loop you can use the Red Barn aid station area as needed. If you need to leave the Red Barn aid station area for any reason other than being on course, ***you must check out with the tracker at the Canteen Tent.*** We will be keeping track of racers and will start searching for anyone 60 minutes behind their expected loop time. You must check back in with the tracker when returning to the Red Barn aid station. Leaving the race from anywhere on the course other than the Red Barn aid station and/or not checking out/in will result in disqualification.

You must complete your last loop within the 12-hour time limit for it to count.

You can finish your race at any time before the 12-hour time limit by checking out with the tracker at the Canteen tent. You will receive your custom mileage finisher award and a cold beverage from Canteen.

## Teams

Only one member of the team can be on course at a time. Switching members can only take place at the Red Barn and each person must finish the loop they start.

## Ruckers

You must carry no less than 20lbs in a pack on your back.

Your pack must weigh a minimum of 20lbs at any time during the event.

You must check in and weigh your pack NLT 15 minutes prior to the safety brief (by 6:50 am)

You may be required to weigh your pack randomly at the start/finish of any loop. If it weighs less than 20lbs, you will be disqualified.

If you decide you would like to continue but not with your pack you will be moved to the non-rucker division (this must be communicated to the race officials at the time you remove your pack).

You will be required to weigh your pack immediately upon finishing. If it weighs less than 20lbs you will be moved to the non-rucker division and ineligible for top awards.

# Safety

## Required gear

All racers and pacers are required to have a method to carry water. The race is at 7500 ft elevation and temps could be warm. Our motto is to drink early and to drink often which can only be accomplished if you are carrying your hydration. Water, HEED and other electrolytes will be provided at the aid station. We will not provide cups.

## Headphones/Air pods/Speakers

Use of headphones/air pods is discouraged but if you desire to wear them you must keep the volume down or wear in one ear so that you can hear other participants on the course and race officials. If you cannot hear your footsteps or a person has to yell to get your attention, turn the volume down.

External speakers are NOT permitted.

## Weather

Average May weather for this area is dry and sunny with highs in the upper 60s and lows in the upper 30s, HOWEVER, that can quickly change. Glorieta Camps sits at the southern terminus of the Rocky Mountains at around 7500 feet above sea level. Spring storms can quickly roll in dropping the temps to in the low 30s without warning, bringing hail, freezing rain and snow. Be prepared and review the weather the day before the race. Having extra gear (warm clothing, extra socks/shoes, rain jacket, etc.) at the aid station would be wise, it is best to have it and not need it then to need it and not have it.

In the event of threatening weather or other natural dangers, the race director reserves the right to delay, pause and potentially stop the race. Racers will be moved to an indoor auditorium where the decision to continue will be determined.

## Wildlife

We are in the mountains where there is ample active wild life. Please observe from a distance and do not approach, disturb, try to pet or feed.

## Dogs

Guest pet dogs are not permitted at Glorieta Camps nor at the race.

## Road crossings

While you are in a gated camp with a 7.5 mph speed limit, please still use caution when crossing the roads. The trail crosses Oak St. (main entrance) as well as two other not so busy roads. We have signage warning drivers, however, look both ways before crossing any road.

## Buildings

Do not enter any buildings that do not have signage that it is for public use (example: lodging, dining, etc). Do not disturb other camp guest that are not part of the event. We have porty potties at the red barn and there is one pit toilet approximately 0.31 miles into the race.

## In Case of Injury / Emergency

If you are injured while running out on the course, DO NOT cut across the camp as a shortcut back to the red barn. Continue to follow the trail markings back to the red barn or go backwards along the course to get back to the red barn. If you can't walk, just sit down beside the trail and tell a fellow racer. We will get someone out to help you. We will have limited medical staff on hand. In order to provide the best care possible, our medic is there to focus on medical issues, not minor first aid issues. We strongly encourage you to bring first aid kits and treat your own minor first aid issues. We will have several first aid kits at the Red Barn aid station as well.

A Medical Tent will be located at the Red Barn and will be open and available from the start time through the end of the race. In the event of an emergency, notify the nearest Race Official, as they will be able to communicate with the Medic Tent. If the emergency is severe call 911, then notify a Race Official.

If at any time the medic deems it unsafe for a participant to continue, the race director reserves the right to remove them from the race.

## Aid station and drop bags

The aid station will be fully stocked with hot food service starting around 11:30 am. The aid station area will include a covered area for drop bags. Drop bags must be marked with your bib number and/or name. We are not responsible if your drop bag is lost or stolen. Place your drop bag on the tarps, not the tables. Tables are there for participants actively using the area and are not for storage. You are welcome to bring your own chair as we will not provide those. Please limit your supplies to the size of a small cooler or tub. Any drop bags left after the race will be donated or trashed (please do not leave your trash for us to clean up).

The following food items will be at the aid station for racers and active pacers only:

Assorted Hammer Gels	PB & J sandwiches	Ice
M&M's candy	Ham and cheese sandwiches	Water
Chips	Nutella and cookie butter wraps	Hammer HEED
Pretzels	Cream cheese and cucumber wraps	Quesadillas (after 11:30 am)
Saltines	Canteen pickle juice	Hot Miso (after 11:30 am)
Fresh fruit	Salted potatoes	Ramen (after 11:30 am)
Bacon	Coke	
Trail mix	Ginger ale	

## Pacers and sherpas

Pacers are permitted after 1pm and one per racer on course at a time. They must sign the Glorieta Waiver. They will also need to purchase a parking pass if arriving in a separate vehicle. If your pacer will be arriving separately, please provide us with their arrival time window so we can ensure gate access to the camp. They must check in and sign a race waiver at the Canteen Tent and will be given a wrist band that they must wear when on course and in the aid station area.

Sherpas (aka family and friends supporting) may be in the aid station area but we ask that they stay away from the food area unless they are actively assisting you or another racer and that they do not block the exit/entrance to the course. Active racers have the right of way at all times.

**Support cannot be given to racers outside of the Red Barn area. Family and friends are not permitted to drive around camp to support racers. Parking is limited and there are other guest using the camp.**

## Camping and Lodging

Glorieta Camps has RV full hook up sites, RV boon docking, tent camping and hotel style lodging. Please book through them when completing your waiver. Use the code **OVERNIGHTFERAL** for a discounted rate on the parking pass. [LINK TO CAMPING AND LODGING](#)

## Activities

Glorieta Camps has many activities to choose from. Just remember, if you want to participate but are signed up to race, you must check out and check back in at the Canteen tent. Failure to do so will result in disqualification. All activities are provided through Glorieta Camps and not Feral Adventures.

Free activities (covered under parking pass fee):

GaGa Ball, Basketball, Tennis, Disc Golf (bring your own disk), Volleyball, Mini Golf (balls are \$1.00 each), and miles of trails available for hiking and biking.

Paid activities (\$30.00):

Drift Trikes and Zip Drop (meet at Red Barn at Saturday, May 3<sup>rd</sup> @ 2:45 pm sharp) This can be purchased through your Glorieta Camps registration. [LINK TO REGISTRATION](#)

High Five Zip Line (\$69.00):

The High Five Zipline Adventure will also be available and reservations can be made via their website for a discounted rate of \$69.00 vs their normal \$139.00 rate.
